Community Spotlight

El Dorado Food Bank

Did you know that the unemployment rate in El Dorado County was 13.2% in April 2010? That is much higher than the national average of 9.7%. That statistic is front and center on the website of the El Dorado County Food Bank located in Diamond Springs. The Food Bank was established in 2000 by founder Mike Sproull and a handful of compassionate community activists. They seek to provide "comprehensive services in collaboration with other hunger-response agencies that will help transform the lives of people in need." By providing nutritious foods and educating the general public on local hunger causes and consequences, the Food Bank has become an important part of our community! If you'd like to volunteer to help, visit their website at www.foodbankedc.org or call (530) 621-9950.
